INTRODUCTION

2024 is the year that Source + the Galactics have decreed to be the year of accelerated ascension events.

We are reaching the tipping point of the mass awakening and beginning of the transition to New Earth. We are all the Ascension Ground Crew Team !

We are all stepping into our Roles this year that our Higher Self has contracted for.

VISION

For all of the Ground Crew Members to begin their new roles/missions, and to come together in unity for this global operation.

MISSION

Our mission is to be the greatest and grandest version of ourselves, and to utilize our gifts + skills for the highest good of all.

PROJECT OBJECTIVES

Our mission as the Ground Crew for this Ascension process is to come together in unity, with all of our individual and unique gifts, skills + essences. Our goal is to accelerate the Ascension Events of 2024 by taking our power back, assisting to raise the frequency of the collective consciousness, assist Mother Earth/Humanity in their healing, and to support the Divine Intervention taking place to eradicate all Dark Forces from our planet.

WHITE HATS

ROLES/PURPOSE

All beings who currently have roles/jobs within the 3D systems and structures, you may in fact have the role of the White Hat.

Working inside of the systems and structures allows you the opportunity to transform them from the inside out. If you are currently stationed in one of these roles, connect with your Higher Self and Angels to ask what your highest service is within this role.

When we shine our light into spaces that are dark, we have an impact on that system, industry and all beings within them.

For each of you, it is important to practice self-love while in these spaces to ensure your highest good is being supported. Use your voice, your light, and your innate power to be the change you wish to see.

ACTIVISTS

ROLES/PURPOSE

All beings who feel called to be ground activists and/or community organizers, you have the role of the activist.

Activists can assist in many ways:

-If you are passionate about a particular topic or area of this ascension, you may feel called to share wisdom and information with others.

-If you are guided to participate in things like protests, boycotts, or any form of group activism, use your voice and stay in the heart while creating momentum for change.

-If you are guided to begin community projects or community organizing, talk to your neighbors and your community members to come together to create solutions or ideas to best assist your fellow humanity in your area.

The key role of the activist, is to be the ACTIVATOR.

There is no longer any need for violence or aggression, but simply the power of love.

TRUTH SPEAKERS

ROLES/PURPOSE

All beings who feel called to a role of communication in sharing truth, research, + information on energetic and global ascension events via social media or other platforms.

The truth speakers carry an important role, as we are living in the era of mass censorship and partial truths. If there is information, topics, or personal experiences that you feel passionate about sharing with the world, utilize your voice!

Many tend to avoid social media or certain platforms, however, when we withdraw our light from certain spaces, those spaces are no longer filled with truth.

Use whatever social media or media platform you resonate most with, and share your authentic truth!

You can also assist by sharing any information provided by other ground crew members that would benefit Humanity.

GRIDWORKERS

ROLES/PURPOSE

Those who feel called to be working with grids and leylines to clear + activate energies can take up various roles:

Physical Gridworking: In your local area you may be guided to certain locations to perform ceremonies, prayers, or meditations to assist in clearing these places + activating their grids.

Leyline Workers: If you live on or near a leyline you can assist with performing ceremonies, prayers and meditations for the clearing of these leylines.

Remote Workers: If you feel called to do remote grid or leyline work, follow guidance as to the area of the world you wish to focus on, and through meditation and visualization, you can assist with clearing these areas.

Energy Gridworkers: If you feel guided to work with energetic grids, you may connect with the abundance grids or crystalline grids.

HEALERS

ROLES/PURPOSE

Those who feel called to assist with the physical, emotional, or mental healing of Humanity, it is most important that you are practicing self-love, EGO death work, and energetic boundaries.

Humanity will require a lot of assistance in their healing process, but they also must learn how to heal themselves and practice sovereignty. Share your gifts and skills with the world + also assist with teaching other healers and humanity how to practice their own self-healing.

Connect with your Higher Self and Angels, and ask to receive any new codes or information that can assist with healing Humanity.

Modalities that can be utilized:

- Human Design/I Ching/Gene Keys
- Astrology
- Western or Holistic Healing Modalities
- Metaphysics

GUIDES/MENTORS

ROLES/PURPOSE

Those who feel called to act as guides and mentors for the various waves of awakeners will be needed in the coming year.

It is important for all in this role to be practicing self-love, EGO death work, and Higher Self Embodiment work.

The Role of Guiding/Mentoring:

- the goal is to always assist the other being in coming into their own sovereignty, trusting their own guidance and intuition
- only guide/mentor on topics or areas that you have mastered or have in experience in
- practice holding space for those you guide, while not absorbing any of their lower emotions, fears, or thoughts
- avoid telling others what they “should” do, and instead guide them to finding their own solutions

CO-CREATORS

ROLES/PURPOSE

Those who feel called to co-create new ideas, projects, 5D businesses, and 5D products for Humanity will be the ones who assist in creating the New Paradigm.

Whether you are creating art, 5D media (books, script writing, etc) products, businesses, or project ideas, the key is to ensure you are mastering your own energy in the process. Everything that we create is infused with our energy. Utilize the self-love practices to ensure that you stay grounded, centered, and in the heart while you are co-creating.

All co-creators are paving the path for the new ways of abundance, energy exchange, and 5D creation. Stay authentic to who you are and to your original intent with your creations.

Support other co-creators and establish new networks.

ENERGY WORKERS

ROLES/PURPOSE

Those who feel called to perform energy work for the various needs of Humanity + the Ascension process can work on different levels depending on the advancement of each soul.

Energy Work Needed:

- EGO Death Work
- Global Ceremony Workers
- Energy Warriors (for those who are experienced and feel comfortable doing work such as clearing of dark energies on the planet, bilocation, remote viewing, etc.)
- Channelers (those who are experienced and have established clear channels to the etheric realm to bring in information/energy updates for the collective)
- DNA Activators (for those who are experienced with the activation of dormant DNA)

ELEMENTAL WORKERS

ROLES/PURPOSE

Those who feel called to work with the various elementals including crystals, animal kingdom, inner earth realm, fairys, dragons, dolphins, whales, mermaids, etc.

The elementals are very activated currently and are assisting us all with clearing density and toxins from our vessels and from the Earth.

Elemental Work:

- Crystals (if you work well with crystals, utilize them for clearing your space, area, + reheart to cleanse them regularly. You may also connect to crystals all over the world to activate and clear areas remotely)
- Animal Kingdom (if you have a connection to certain animal spirits, connect with them for messages and assistance with healing/clearing)
- Elemental Realms (if you resonate with elementals such as the Dragons or Fairys/gnomes, etc., connect with them for messages and assistance with clearing).

GALACTIC AMBASSADORS

ROLES/PURPOSE

Those who feel a strong connection to the Galactics and/or specific Galactic Races who are here to serve as ambassadors for the receiving, transmitting and channeling of information.

The most important work is personal EGO death work and clearing your physical, emotional, and mental bodies to provide a clear channel. Non-attachment to information is key. Relaying information back up to the Galactics from the ground is also important for research purposes.

Ambassador Roles:

- GFOL
- Pleiadians
- Arcturians
- Lyrians
- Syrians
- Andromedans
- Orions

TRANSMUTERS

ROLES/PURPOSE

Those who feel called to assist in the transmuting, clearing and activating of energy in their areas or around the world are called to assist with transmuting energy.

As a transmuter, you are acting as human crystal by absorbing energy, processing it and transmuting it for your immediate environment, area, and collective.

Your most important tools are your self-love practices, as well as physical healing practices. Processing and emotional regulation is key. You can also do ceremonies to assist with the transmuting process.

Tools:

- Cutting Chords
- Utilizing the Violet Flame
- Utilizing the Rainbow Bubble

VIBRATION HOLDERS

ROLES/PURPOSE

Those who feel called to hold the higher vibrations as vibration holders to assist with stabilizing the collective consciousness can do so through processing work and meditation work.

The key for the vibration holders is to become familiar with the Vibrational Scale of Consciousness. Utilizing self-love practices and Higher Self embodiment practices will assist you in holding and stabilizing in the higher vibrations.

You may feel called to different locations or areas to assist with this stabilizing, or you may stay at your home base.

Use your self-love tools and practices to help you process all emotions without suppressing or avoiding them, allowing them to release, and then returning to the heart. You may also feel called to perform global meditations to help stabilize during planetary events.

5D TECH CREATORS

ROLES/PURPOSE

Those who feel called to create and innovate 5D technology to assist Humanity during the transition into Quantum technology will be the pioneers in this industry.

If you are working with creating or innovating 5D technology, it is important to be grounding and staying centered during the creation and experimenting process. We are simply remembering things we have already done!

Share your ideas, innovations, experiments and findings with those who resonate.

5D Technology Industries:

- Electroculture
- Plasma Technology
- Frequency Healing
- Sound Healing
- Water healing

ASTROLOGY COUNCIL

ROLES/PURPOSE

Those who are guided and/or experienced in working with astrology, planetary transits, and the cosmos can act as cosmic ambassadors to the stars.

The cosmos, including all of the planets, constellations, and galactic points, are all providing assistance to Humanity for this Ascension process.

The more we are actively connecting to these cosmic beings, the more assistance we receive.

We are also in the process of shedding the old archetypes of astrology and anchoring in the higher archetypes of the planets, signs and cosmos. By connecting to each planet/sign/galactic points, we are able to receive information that brings awareness to Humanity.

- Planetary Transit Work
- Astrology Archetypes Work
- Asteroid + Galactic Point Work

CONCLUSION

✓ No matter what stage of the journey you are on, we are all important for the overall mission of Ascension!

✓ No matter how advanced one may be, we all must practice **self-love, EGO death work, + Higher Self embodiment work.**

✓ We are remembering who we truly are, and stepping into our God Selves. Believe in yourselves + follow your heart.

THANK YOU!
